

# SUNBEAM SPROUTS

PreK 3: Age 3 by 9/1

The Sunbeam Sprouts program is a wonderful place for kids develop emotionally, spiritually, socially, and intellectually. With a mix of organized routines and free-flowing play, this program creates a daily rhythm that supports each child's growth stages and celebrates their unique journey.

We believe that the first few years of life are a time of wonder and growth, and our teachers help make that happen with love, purpose, and joy. Knowing our core values—kindness, wonder, and faith—and the unique needs of each young learner, teachers carefully plan lessons to represent these values.

Our routine gives us stability and comfort, along with opportunities for creativity and movement. There is flexibility with the schedule to adjust when needed for those special teachable moments. Faith-based storytelling, active learning, and happy play help kids develop their self-esteem, empathy, and sense of community. We do not simply assist kids to get through their day at Sunbeam Sprouts; we also help them shine.
